#YOUVEGOTTHIS

Advice for Exams:

- *Create mind maps showing the benefits and drawbacks of ICT and place them around the house (bathroom, bedroom, fridge etc…). Use the mind maps at the end of each topic to help you create your own.*

- *Always read the question and identify the scenario it is asking you about i.e. school, hospital, solicitors office, building company etc… and make sure you answer within the context of that scenario.*

- *Roughly speaking it's a minute per mark, so a 10-mark answer should take you about 10 minutes to answer properly.*

ICT

Key Dates:

Thursday 16th May 2019

Unit 3 ICT exam

Revision tools/strategies/resources:

- *Google Classroom workbooks – these direct you to find out the key points on all of the exam topics*

- *Past papers and Mark schemes all available in the GCSE ICT Resources Team Drive on Google (all Yr10 and 11 ICT pupils have access to this)*

- *Use mark schemes to write perfect answers then revise them, when you can re-write it without looking, only then you can say you truly know it.*

- *Create topic mind maps – definitions, benefits and drawbacks, key points*

- *Create question flash cards – write question on one side and the answer on the other. Great for taking on care/train/bus journeys*
