

# Ysgol Harri Tudur Sixth Form Induction fortnight for Year 11 - 29th June to 8th July

**Dear Sixth Form Applicant,**

I hope that you have enjoyed your recent weeks off school since your last day; you've thoroughly deserved your break a hectic and assessment-packed last half-term. *This letter has also been sent to all Yr 11 pupils, including non-applicants, as we are still receiving and accepting late applications.*

The school is incredibly pleased when students opt to return to the school as a Sixth Former, a prestigious and responsible position which will set you on the road to a prosperous future. Our Sixth Form is very successful and the school is incredibly proud of the high level of our Sixth Form academic achievement, but also the incredible sense of support and community within the Sixth Form itself which is not replicated elsewhere. Whether you are a definite returnee in September or are still uncertain, I urge all students to take part in the induction below, which is being replicated in schools across the country. The only subject offered in September not part of the Induction is Music Technology as the new professional suite is still being developed.

The Induction Fortnight for Year 11 students is designed for students to come and try out the subjects they have opted for in September. This will really help you either confirm your option, or inform a swap to another subject if needed. If you have applied to us but for some reason you are leaning towards the College - please still attend the fortnight of lessons and activities in order to make the right decision, you may well change your mind!

The sessions will include a mix of academic and practical activities, both on-site and off-site, to really demonstrate the high level of teaching and opportunities our Sixth Form offers. You will meet the teachers who will be teaching you next year. All our qualified subject specialist teachers are full-time and can be accessed throughout the day, a significant advantage when seeking or needing clarification, support and encouragement.

The first day will be Tuesday 29th June and students are asked to be on-site for 11am for your welcome meeting in the Sixth Form Common room. We appreciate that most students will not yet have bought their Sixth Form uniform so we simply ask that you attend in a white shirt and black trousers or skirt, no tie. There will be at least one trip out which will be fully funded. The event will run for four days in the first week and three days in the second week (free Mondays) leading to the Friday of the second week being your Year 11 Farewell Day. All meals and resources are provided.

Further information will be forthcoming next week including Google Survey for potential attendees. A copy of the timetable for the induction fortnight below. If you cannot attend due to pre-arranged summer employment reasons or a family holiday etc then that is fine and will not prejudice your entry in September but please let us know this, we all urge those of you who can attend to do so. We intend making the experience informative and enjoyable in order to give you a real feeling of the genuine benefits of choosing our Sixth Form. Please feel free to contact me with any queries via my school email.

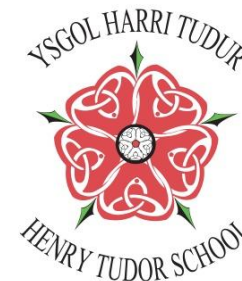

**Mr Jon Jones, Assistant Headteacher & Leader of Key Stage 5.**

## Year 11 Two Week AS Level Induction Timetable.

*Year 11 learners are invited back into school for 7 days over two weeks for AS Level Taster / Knowledge Gap-Fill Lessons.*

*Learners will attend the lessons as identified below, both on-site and off-site with field trips and practical experiences.*

**29th, 30th June and 1st July in school, 2nd July visit to Tenby (TT Week 2)**
