February 2024

Dear Parent/Guardian,

Summer 2024 Examination Preparation

As you will be aware, Year 10 sat some formal written mock examinations in January 2024 in preparation for the summer exams. It is important that learners and parents/guardians understand that learners will only sit a small number of units in certain subjects this summer as listed below.

Health and Social and Childcare. Unit 1 Human Growth, Development and Wellbeing.

History. Unit 1 (1A) Elizabeth

History. Unit 2 (2B) USA

English Literature. Unit 1 (Higher and Foundation)

Science. Unit 1 Energy, Resources and the Environment (Higher and Foundation)

Science. Unit 2 Space, Health & Life (Higher and Foundation)

Science. Physics Unit 1 Electricity, Energy and Waves (Higher and Foundation)

Science. Biology Unit 1 Cells, Organ Systems and Ecosystems (Higher and Foundation)

Science. Chemistry Unit 1 Chemical Substances, Reactions and Essential Resources (Higher and Foundation).

Please be advised that the above units will be the **first** and **final** examination. If you wish for your child to resit the following year then the upfront and in advance cost of entry will need to be paid by you.

Learners will receive a statement of entry and an exam declaration form which they will need to check, sign and return to our Exams Officer, Mrs A Chadd, by email/post/or hand to their mentor. Learners will then receive their exam timetable prior to the Easter holidays.

Can I also stress that learners must prepare and revise for these examinations; please encourage and support them wherever you can. Please also be familiar with the following link which provide further advice and information;

Learners First Dysgwyr yng Nghyntaf

Please be aware that it costs over £400 per learner to be entered for their formal examinations. These are fixed costs applied by the awarding examination boards. We cannot afford to waste any school funds. Therefore, I have to inform you that failure of a learner to attend any of their examinations will result in the cost of that exam falling to parents/guardians to pay in full.

I hope you will fully support us in this and do everything you can to ensure that your child attends every exam they are entered in.

If you are concerned about your child during this vital year, please contact me and I will do my utmost to support you in every which way I can.

GCSE Examination Results will be published on **Thursday 22nd August 2024**.

Revision Tips

Revision tips are available within our Y10 and year 11 Revision Site on our main school website www.yht.wales. Please support your child to prepare properly so that they can do their best.

Year 11 Revision Support

<https://sites.google.com/yht.wales/year11revisiontips/home>

A reminder that **GCSEpod** is an excellent place for learners to do some quick bursts of revision and ideal for those who struggle to revise for long. GCSE Pod can be accessed through <https://www.gcsepod.com/> and most departments are putting links directly in google classrooms as well.

Kind regards
Mrs Emily Sutton
