March 2025

Dear Parent/Guardian,

## Activities Week Years 7 to 10 - 15<sup>th</sup> to 17<sup>th</sup> July 2025

We are delighted to be holding an activities week at the end of this academic year as a way of rewarding our learners. We currently have a variety of activities planned which learners will be able to pick from over three days. Learners will need to enrol in 1 to 2 activities a day depending on whether they are full day or half-day activities.

Each activity will go live on the MYEd app on Monday 31<sup>st</sup> March for learners to sign up for these activities. When booking an activity, they will need to ensure that if they book a half-day session that they have both an AM and PM session for that day. Some activities endure a cost, some are free. To secure a place, payment is to be made via the school app by Monday 1<sup>st</sup> July

2025 for all activities; there will be a payment plan option on the app which will allow payment in instalments. All Learners must be booked into an activity for each day. If you have any issues with the app please see Miss E Thomas in GC08. Activities for learners to choose from are given here;
