All pupils use the school ID as PB4382

Pupils need to see their maths teachers to be given their USERID and PASSWORD.

Or using our school communication system, get in touch and we can provide you with the details directly.

4) Once logged in, you will be asked to complete a daily challenge. It is up to you if you would like to do this.
5) To access homework set by your teacher please select "homework tasks" at the top of the screen and complete the homework.
6) All questions answered are marked, and feedback is given to each teacher to identify strengths and areas for development using a RAG rating system.

There is also a fun timestable app which uses the same log in userid and passwords to help develop fundamental skills needed to raise your attainment level.
